## MANIFEST THE LOVE OF YOUR LIFE AND THE LIFE OF YOUR DREAMS!

Emyrald Sinclair is a love and relationship coach, inspirational speaker, and self-love expert. The author of *Destination: Soulmate*, her book is about attracting "Prince Charming" and scheduled to be released towards the end of 2018. She has also written the wildly popular e-book, *Manifest Your Soulmate in 21 Days*.

While known to sometimes throw down the F-bomb, Emyrald's high-vibe presentations get the attendees emotionally 'naked' and out of their seats and moving, while inspiring them to actually take action upon her teachings.

Emyrald has been featured in Elephant Journal, DailyOM, and other online publications. As a love coach, she helps over 80% of her clients get into happy and fulfilling relationships within a short period. Emyrald's mission is to help 500,000 women manifest the love of their lives using the tools that she outlines while on stage and within her transformational workshops, online courses, and one-on-one private coaching.

She is available to speak on conscious relationships, healthy communication between men and women, and manifestation by means of the law of attraction.
